The Promise Depends on Faith

Romans 4:17-25, 5:1-5— Staggering not at the promise of God through unbelief; but was strong in faith, giving glory to God; and being fully persuaded that, what He promised, He was able to perform and therefore it was imputed to him (or us) for righteousness.

Mark 4:30-32 – The seed is FATIH. Jesus then told His disciples after he talked about the parable of “seed” vs35. Let us pass over unto the other side. But they faced a storm (adversity). But Jesus told them to go the other side.

We know from God’s word that God knows all things, therefore the son of God knew all things (for He and the father are one), He therefore knew about the storm. But He made no mention of it to his disciples. He just said “let us pass over to the other side”.

The storm was not in question with Jesus, He knew it was no problem. But the disciples became scared – (Mark4:37-38)

Mark 4:39,40 – Jesus arose after the disciples cried out and rebuked (muzzled) the storm – spoke forth the word, and the storm ceased. But Jesus also spoke to the disciples and said “why are you fearful? How is it that ye have no faith?”

THE PROMISE DEPENDS ON FAITH

Your career, marriage, and or children, are FAITH SEEDS you've planted. They were non-existent before you came, but now they exist. You made the effort to participate along with God. Jesus is saying come let us go to the other side, for I have more for you to accomplish. Therefore do not let the storms distract you, or cause you to back down but REBUKE them. Christ in you, gives you the power to do so, and the winds will have to cease.
